User Guide – PG Admissions Portal

Made by Shiv Sai Indrakanti

User Side

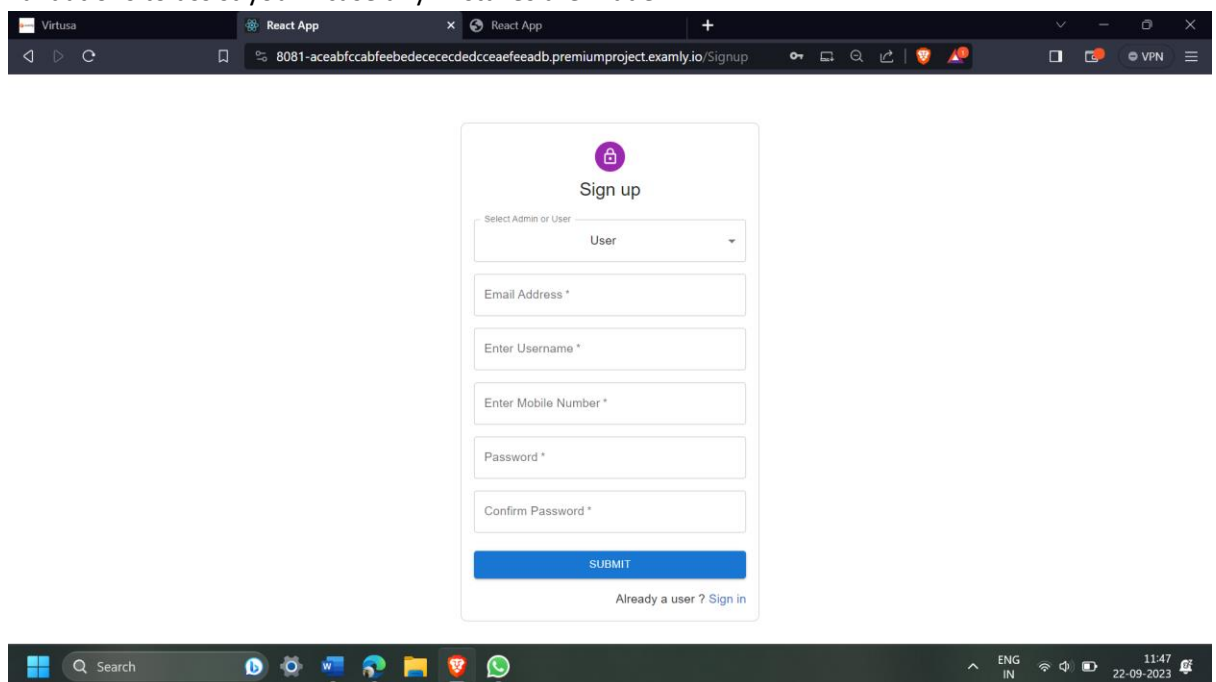

1) Authentication page.

This is the first page you will see when you open the website. There are two options, namely signup or login.

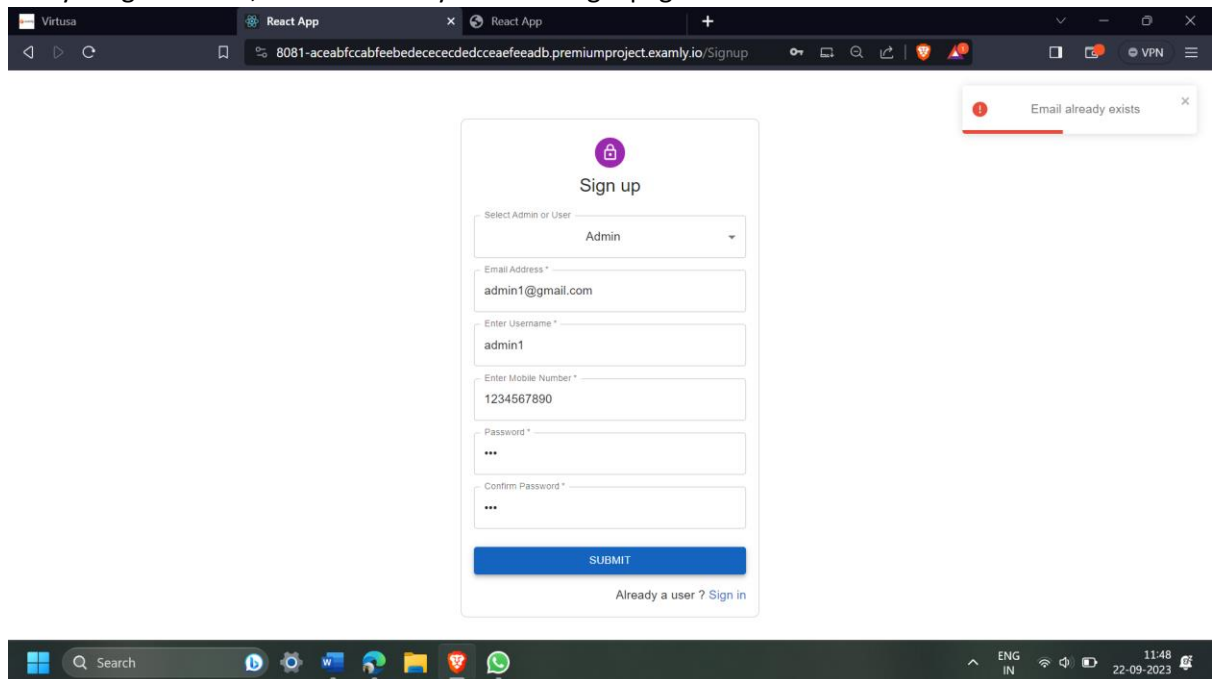

2) Signup Page

Here you need to select your user type (User or Admin) and fill up all the details. There are validations to assist you in case any mistakes are made.

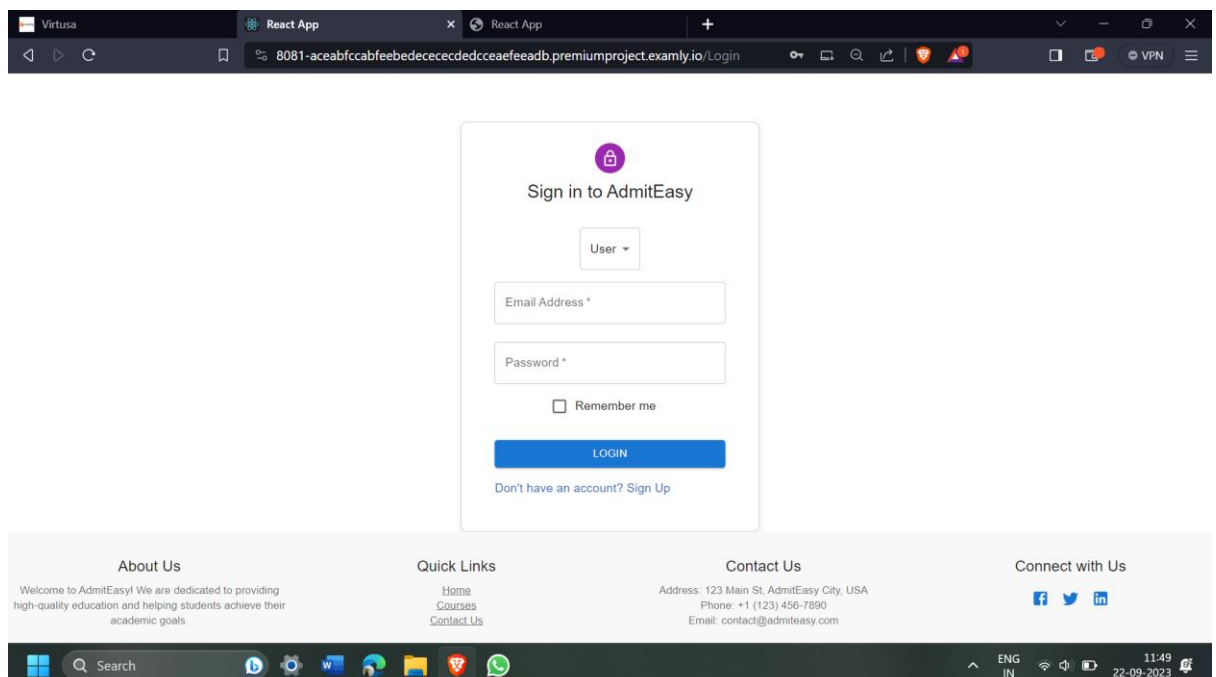

If the email is already registered a message will show saying “Email Already Exists “. If everything is correct, it will redirect you to the login page.

The screenshot shows a web browser window with the URL `8081-aceabfccabfebedececeddcceafeeadb.premiumproject.examly.io/Signup`. The page displays a "Sign up" form with the following fields: "Select Admin or User" (a dropdown menu currently showing "Admin"), "Email Address *" (containing "admin1@gmail.com"), "Enter Username *" (containing "admin1"), "Enter Mobile Number *" (containing "1234567890"), "Password *" (masked with "..."), and "Confirm Password *" (masked with "..."). A blue "SUBMIT" button is at the bottom of the form. Below the button, it says "Already a user ? Sign in". In the top right corner, a red error message box states "Email already exists". The browser's taskbar at the bottom shows the Windows Start button, a search bar, and several application icons. The system tray on the right indicates the language is "ENG IN", the date is "22-09-2023", and the time is "11:48".

3) Login Page

Here select they type, User or Admin. If incorrect type/ wrong details are entered, an error will be thrown up regarding the same and prevent login. This increases security.

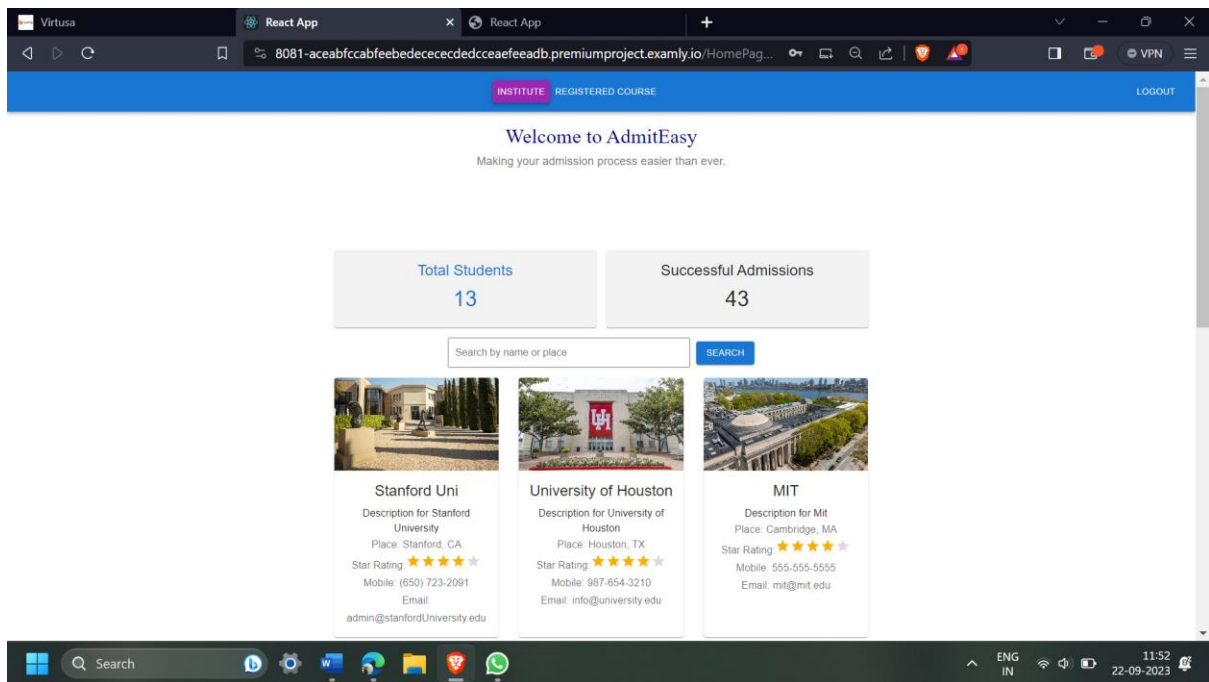

The screenshot shows the "Sign in to AdmitEasy" login page. The URL in the browser is `8081-aceabfccabfebedececeddcceafeeadb.premiumproject.examly.io/Login`. The form includes a "User" dropdown menu, "Email Address *" and "Password *" input fields, and a "Remember me" checkbox. A blue "LOGIN" button is positioned below the password field. A link "Don't have an account? Sign Up" is located at the bottom of the form. The footer of the page is divided into four sections: "About Us" (with a welcome message), "Quick Links" (with links to Home, Courses, and Contact Us), "Contact Us" (with address, phone, and email), and "Connect with Us" (with social media icons for Facebook, Twitter, and LinkedIn). The browser's taskbar and system tray are visible at the bottom, showing the same date and time as the previous screenshot.

From now on there will be two sides to the application – user and admin.

User Side

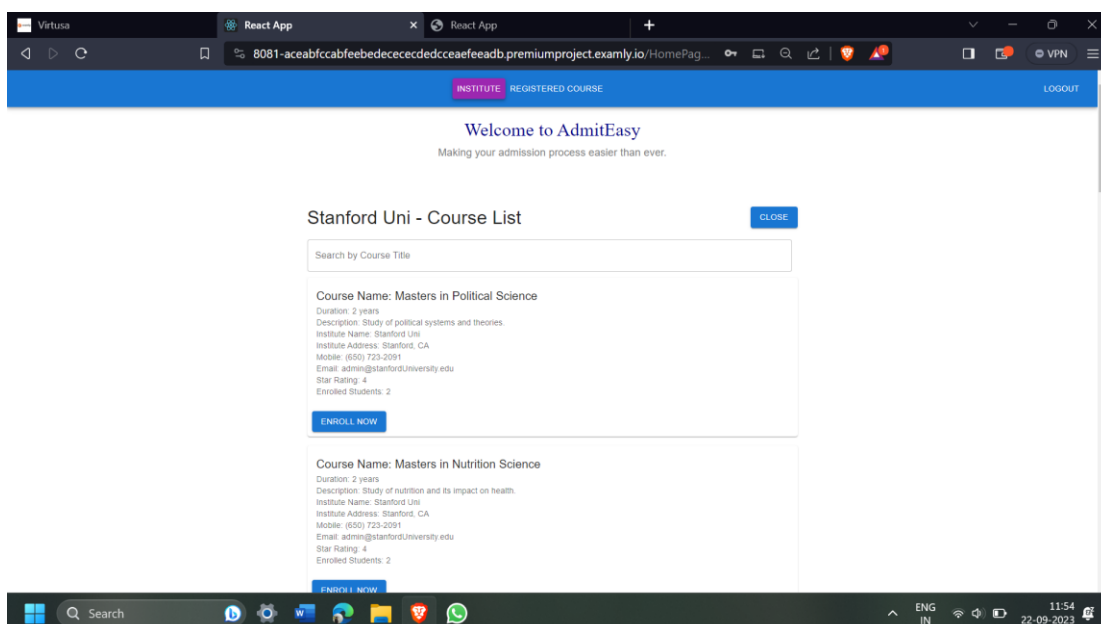

1) User Home Page

This displays a list of all the universities with their details and ratings issued to each university. The total number of students and admissions are dynamic and beautifully count up.

For the next step, to check out courses in a university, please click on a university card.

2) Course list per university.

Here, the course list has a beautiful display of cards, with details about each course including number of admissions in each course, which is not static data instead is real time, calculated data.

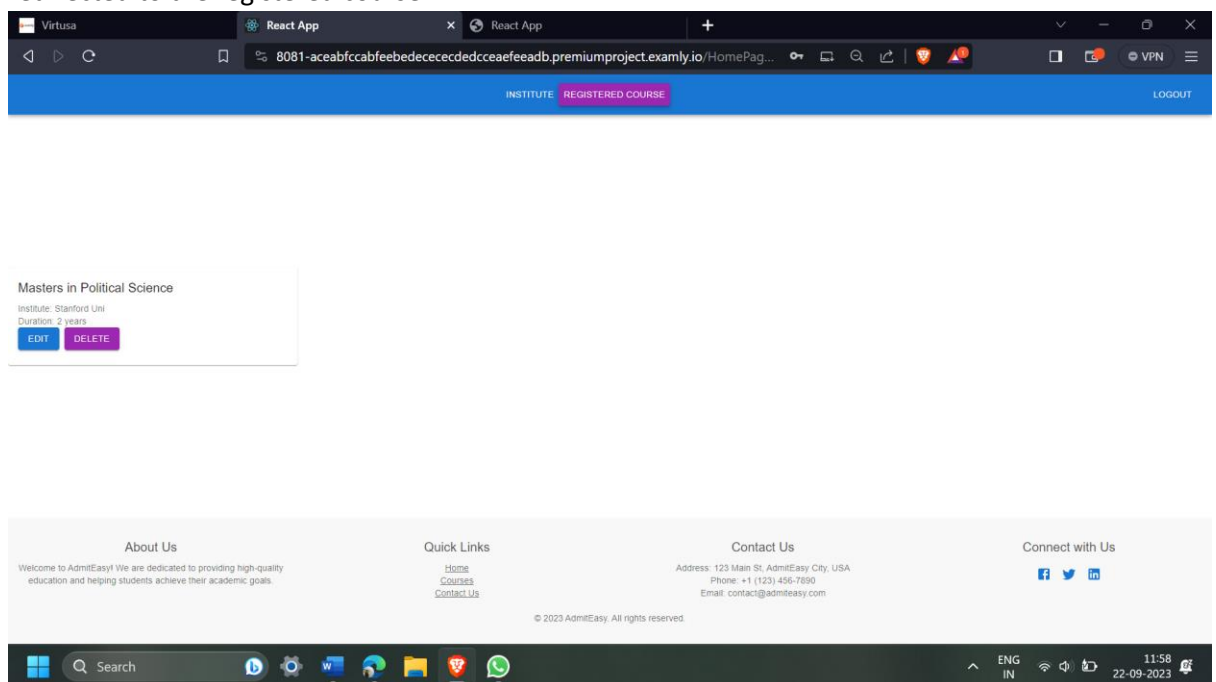

3) Course Enrolment Form

The screenshot shows a web browser window with the URL `8081-aceabfccabfebedececdecddcceaefeeadb.premiumproject.examly.io/HomePag...`. The page displays the AdmitEasy logo and a welcome message. A modal form titled "Enrollment Form for Masters in Political Science" is open. The form contains the following fields: Student Name, Date of Birth (dd-mm-yyyy), Address, Mobile, SSLC Marks, HSC Marks, and Diploma Marks. There are radio buttons for "Eligible" and "Not Eligible". A "SAVE" button is at the bottom of the form. The background shows a list of courses, including "Masters in Political Science" and "Masters in Nutrition Science".

Here fill up the form and click save, to register your course and mark your admission!

4) Registered Courses

When the save button is clicked , your admission gets confirmed, and the page gets redirected to the registered course.

Here there are two options to edit and delete. Edit is to open an edit form, with all the original details of the student prefilled.

The screenshot shows a web application interface with a dark blue header. The header contains the text 'INSTITUTE' and 'REGISTERED COURSE' in white, and a 'LOGOUT' link on the right. The main content area is divided into three sections: 'Masters in Political Science' on the left, 'Edit Student Details' in the center, and 'About Us' on the right. The 'Edit Student Details' form is a white modal box with the following fields: 'Student Name' (Shivindra), 'Date of Birth' (19-09-2023), 'Address' (add3), 'Mobile' (1234567890), 'asic Marks' (23), 'hoc Marks' (24), and 'diploma Marks' (25). Below these fields are two radio buttons: 'Eligible' (selected) and 'Not Eligible'. A 'SAVE' button is at the bottom of the form. The 'About Us' section on the right contains the text 'Welcome to AdmitEasy! We are dedicated to providing high-quality education and helping students achieve their academic goals.' and a 'Connect with Us' link. The footer of the page contains the text '© 2023 AdmitEasy. All rights reserved.' and a 'Connect with Us' link.

Here if you save, details get updated.

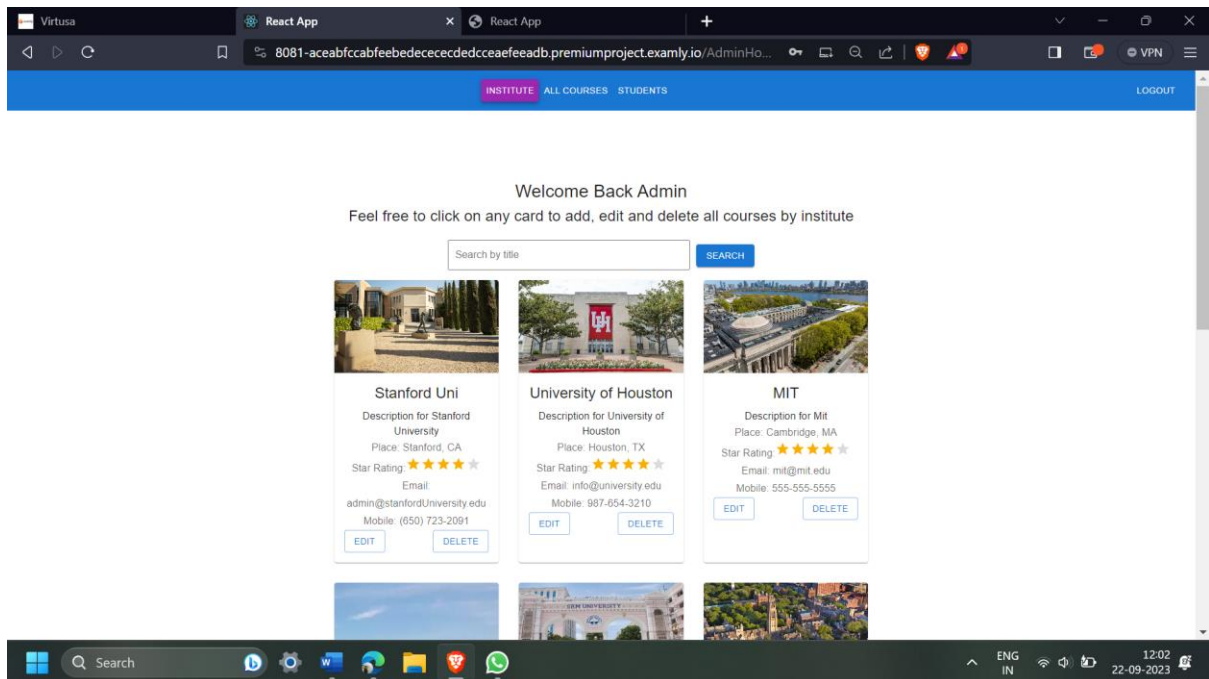

On deleting, the admission gets deleted.

The screenshot shows the web application interface after deleting an admission. The header is the same as the previous screenshot. The main content area is now empty, with the 'Masters in Political Science' section on the left and the 'About Us' section on the right. The 'About Us' section contains the text 'Welcome to AdmitEasy! We are dedicated to providing high-quality education and helping students achieve their academic goals.' and a 'Connect with Us' link. The footer of the page contains the text '© 2023 AdmitEasy. All rights reserved.' and a 'Connect with Us' link.

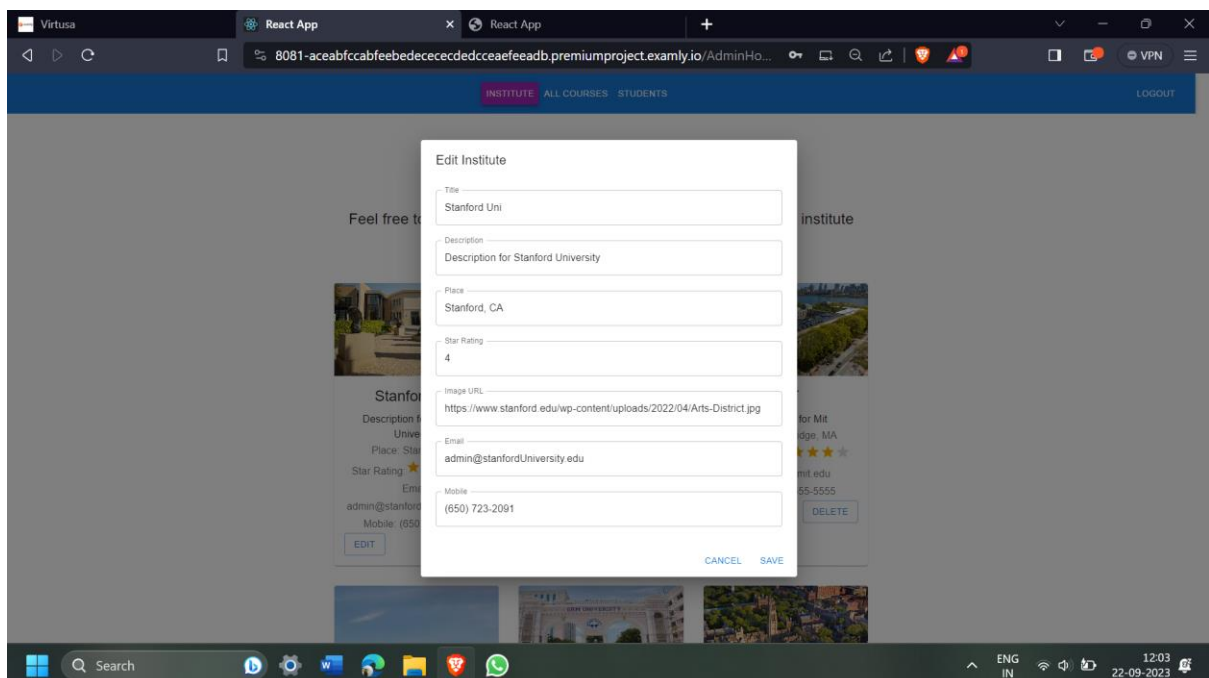

Admin Part

1)Admin Homepage

Logging in as admin, leads the admin to this page.

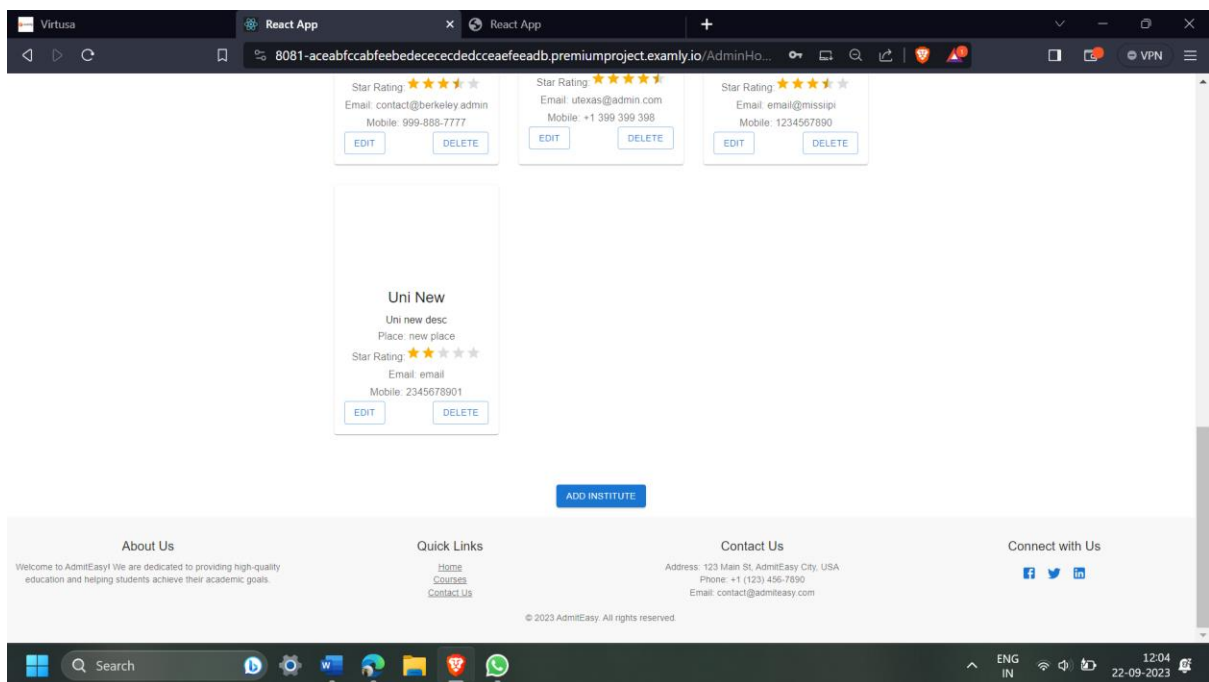

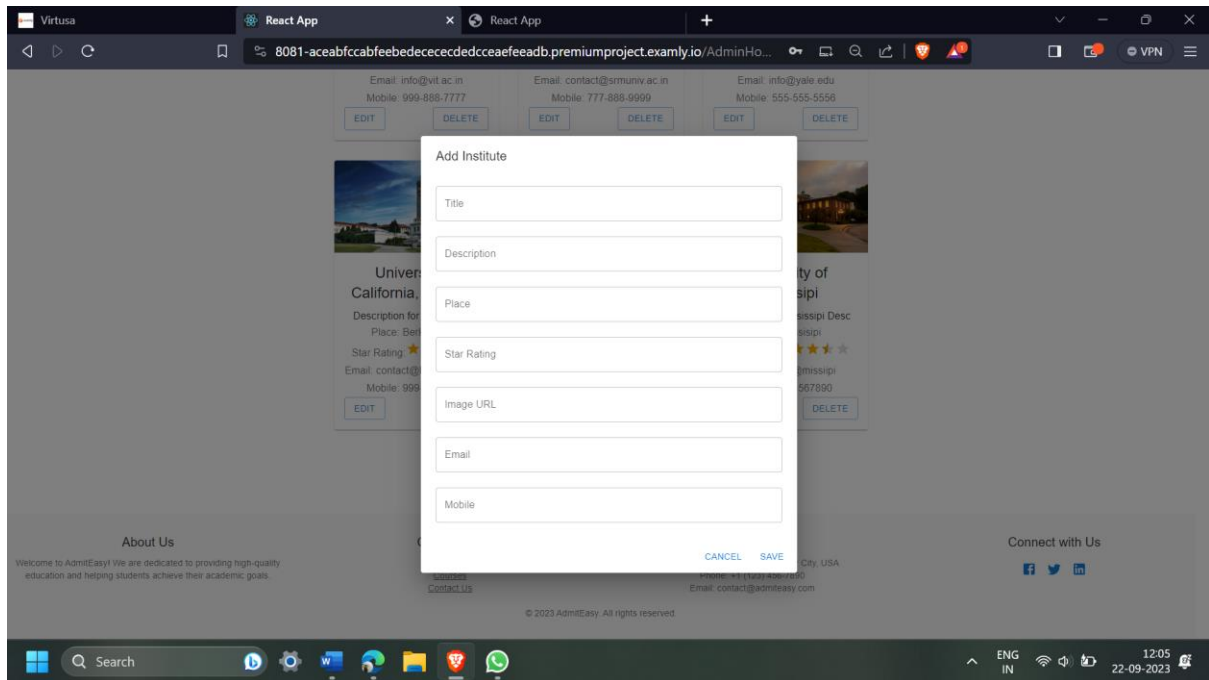

The admin can edit and delete details of any university.

Shiv Sai Indrakanti

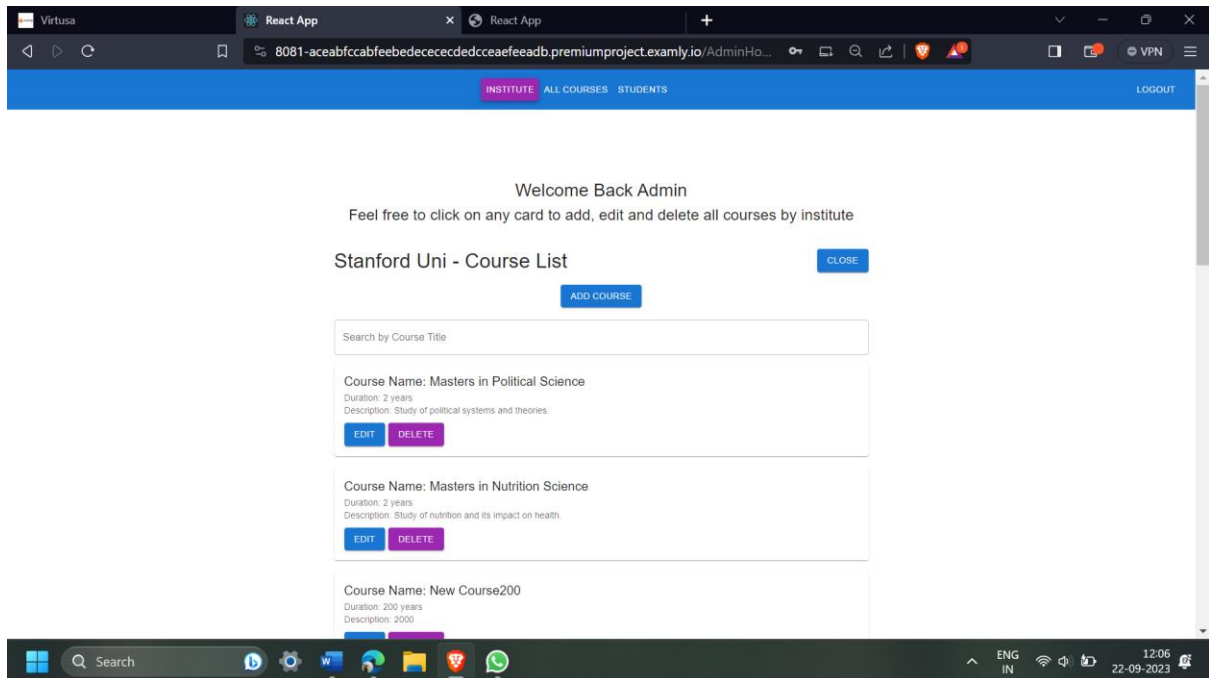

2)Add institute

At the bottom of the page, there is an add institute button , to add a university.

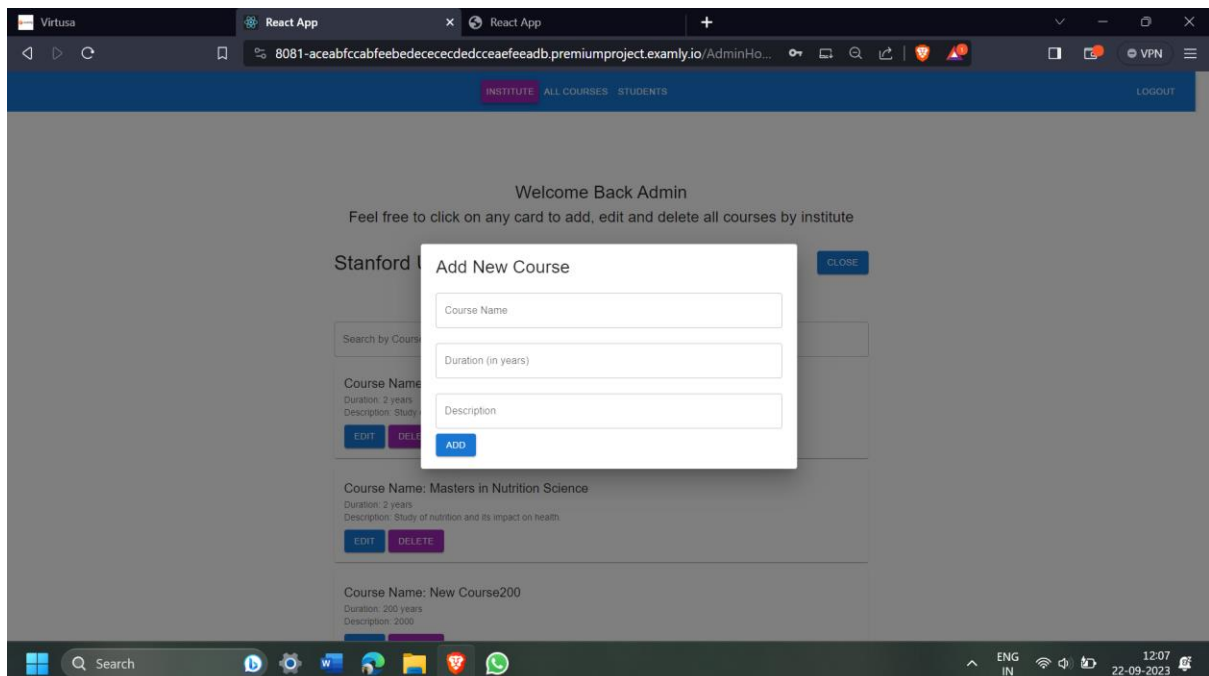

3) Add, Edit and Delete Course – method 1

Click on any university card ,to view all courses related to the university.

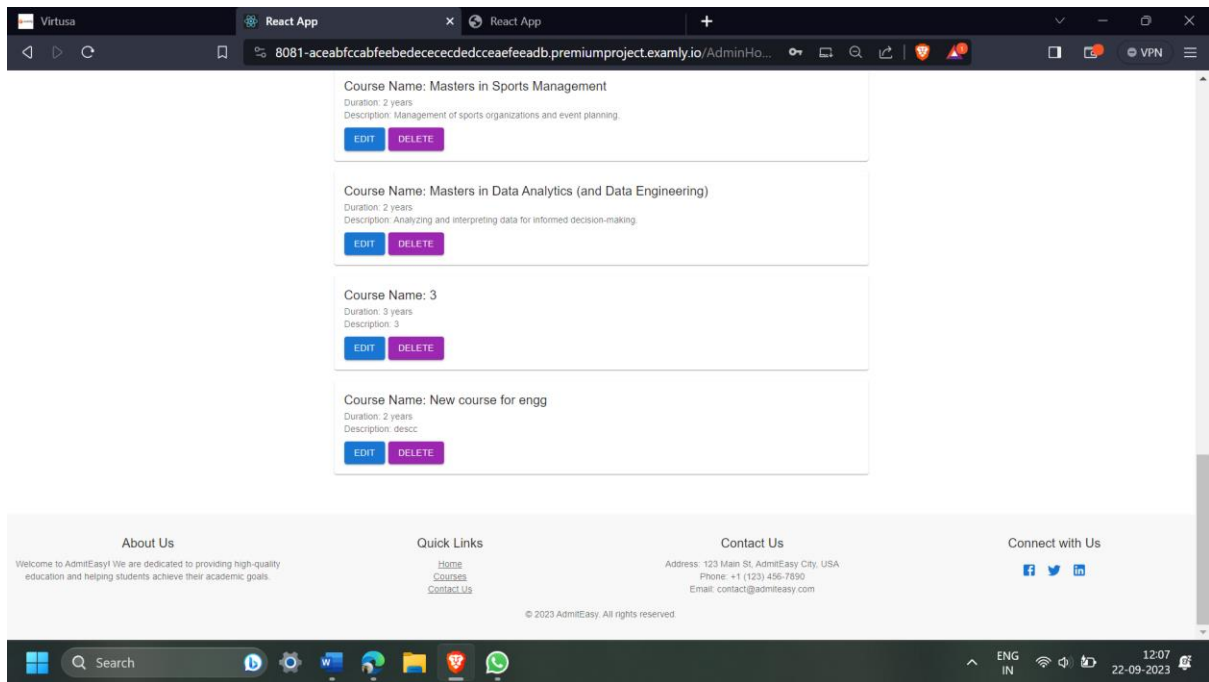

Here one can add, edit, and delete course.

When add course is clicked, this form opens where details can be entered.

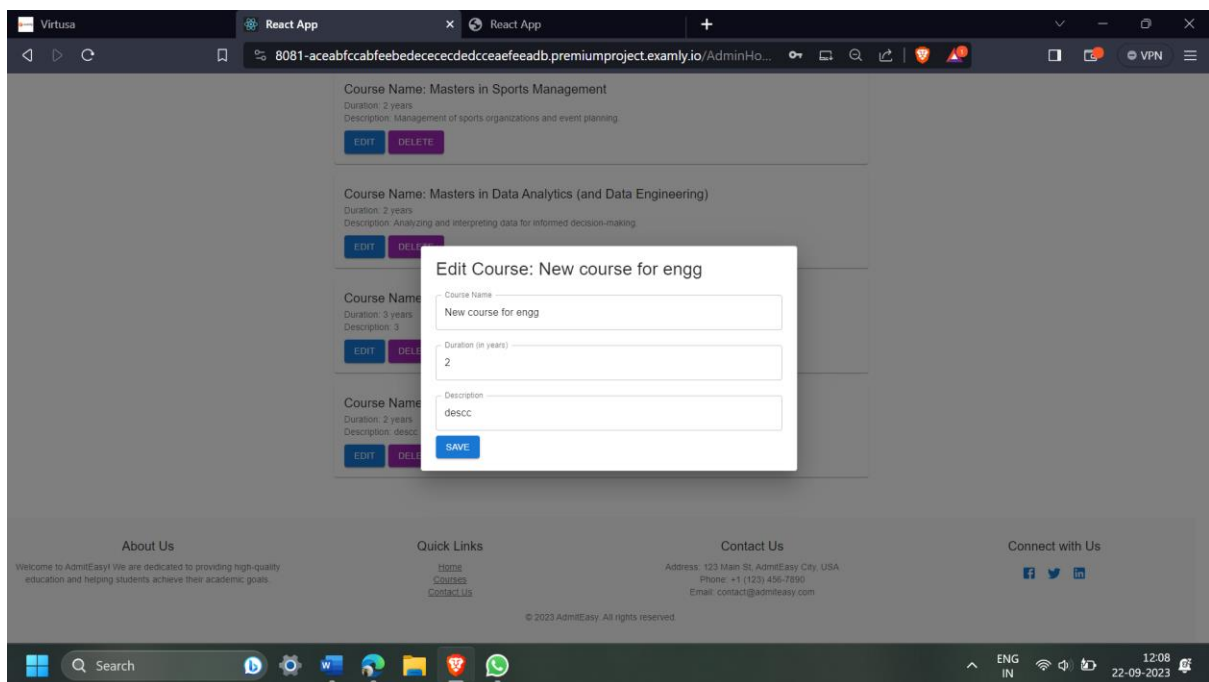

Shiv Sai Indrakanti

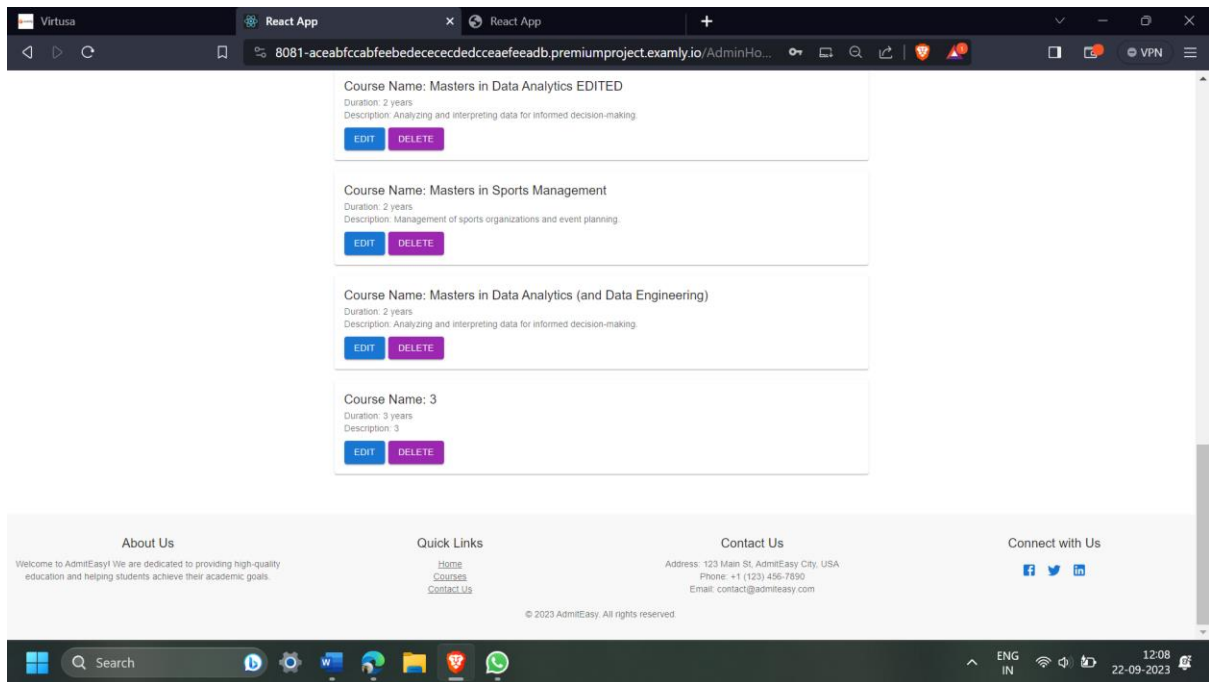

New course added.

These can be edited and deleted:

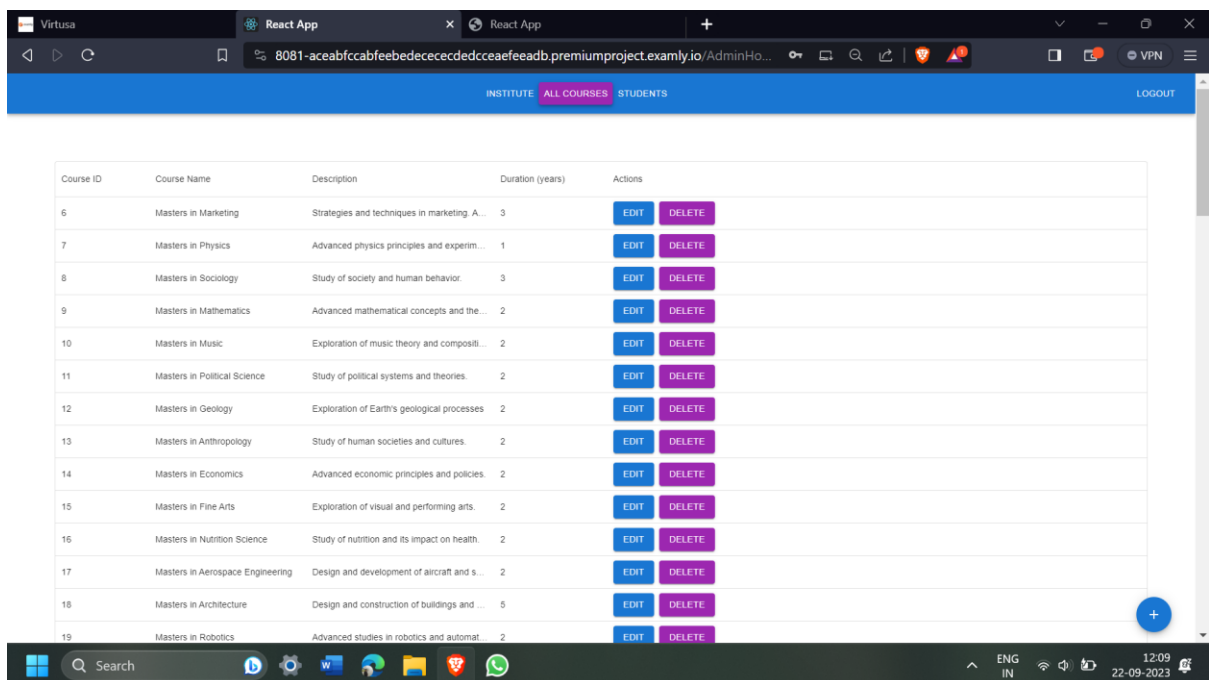

Shiv Sai Indrakanti

Now the new course added, is deleted.

4) Add, Edit and Delete Course – method 2

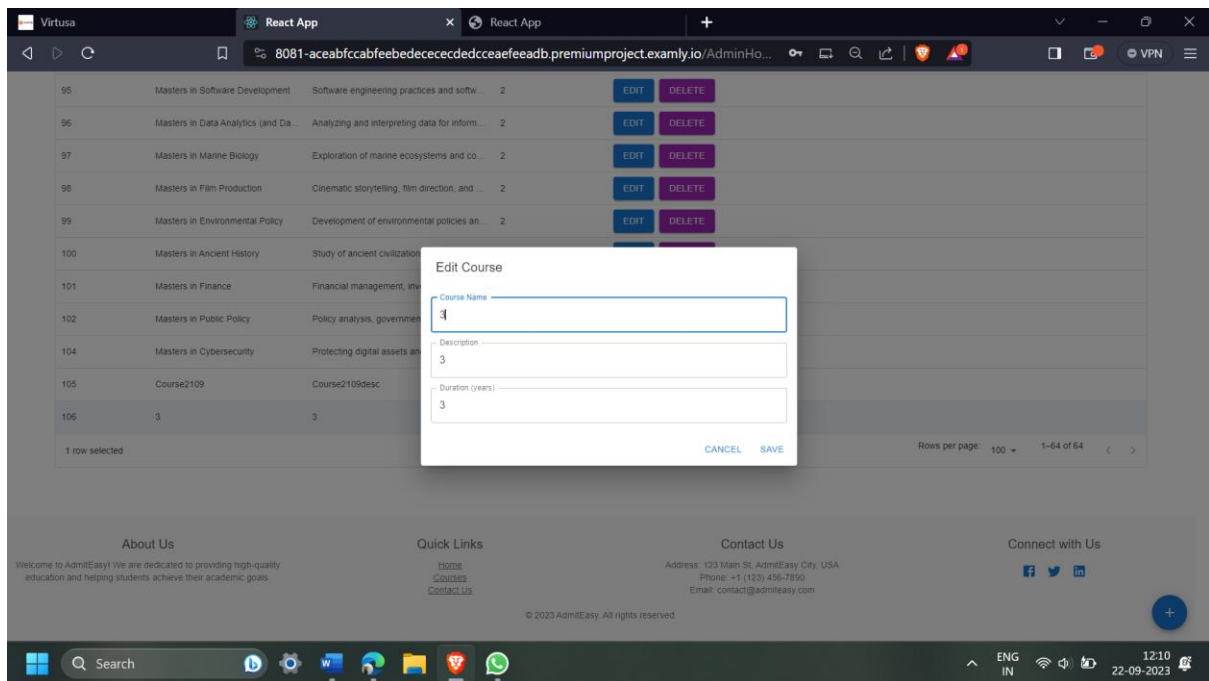

Click the all courses tab on the navbar, a list of all courses is shown.

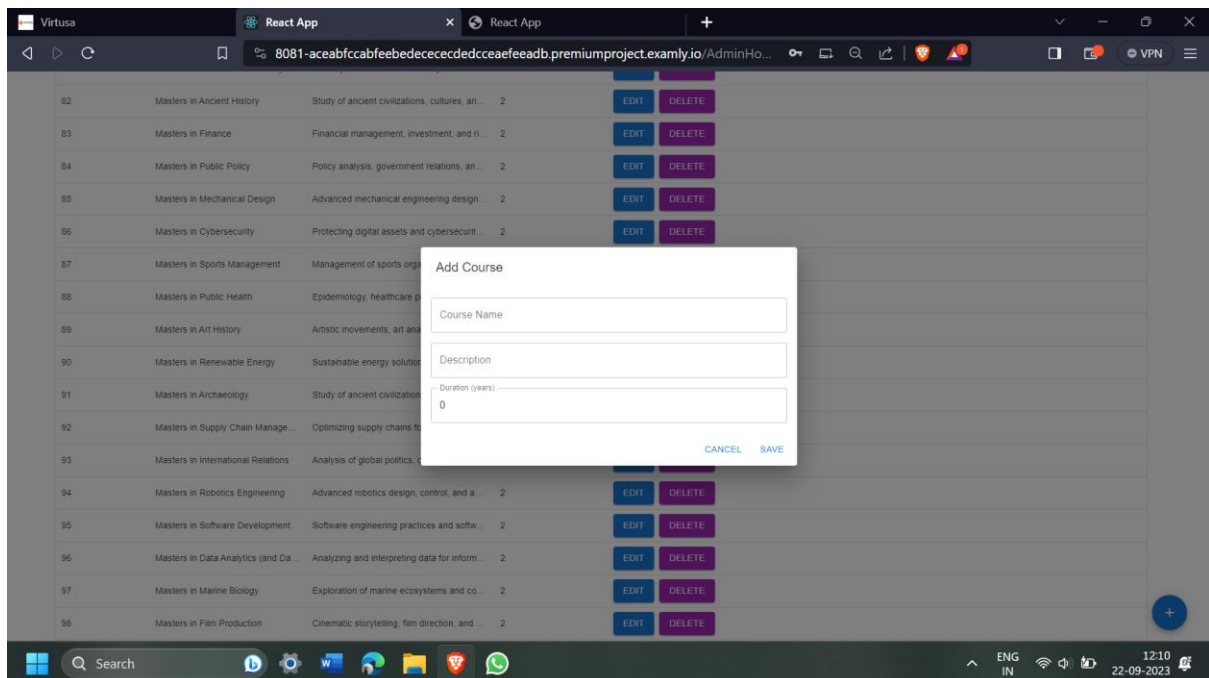

Each course can be added , edited and deleted from here

Shiv Sai Indrakanti

Edit Form :

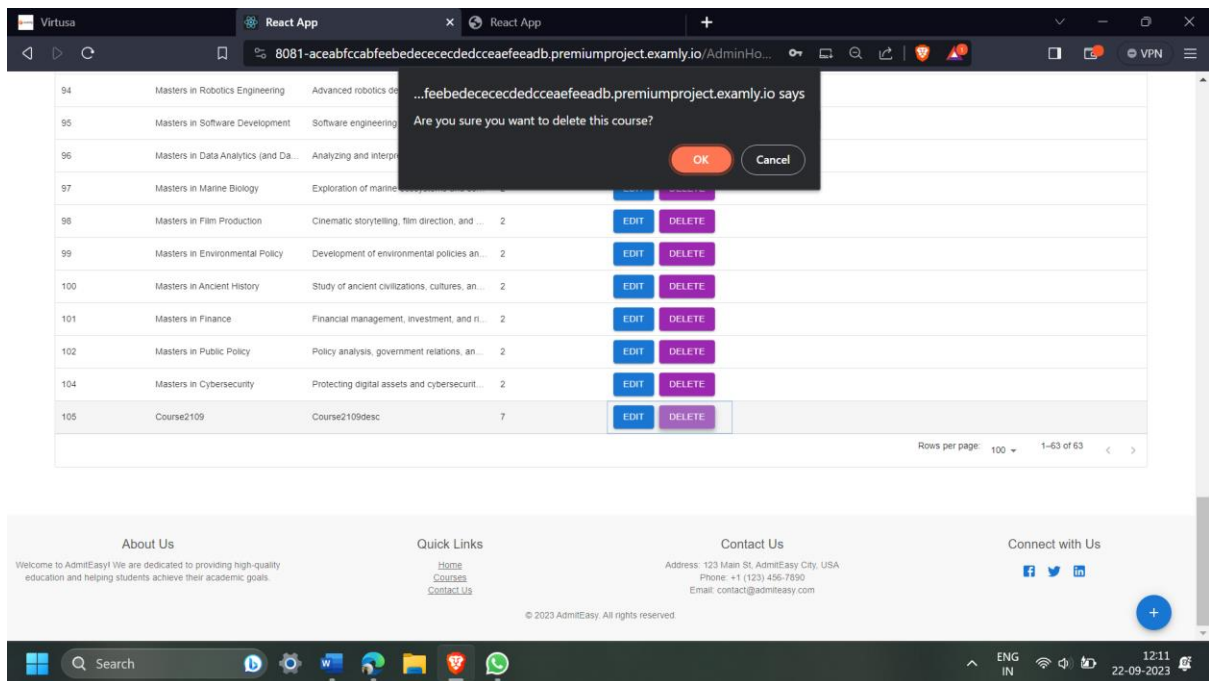

Add Course Form:

On clicking save, course gets added seamlessly.

Shiv Sai Indrakanti

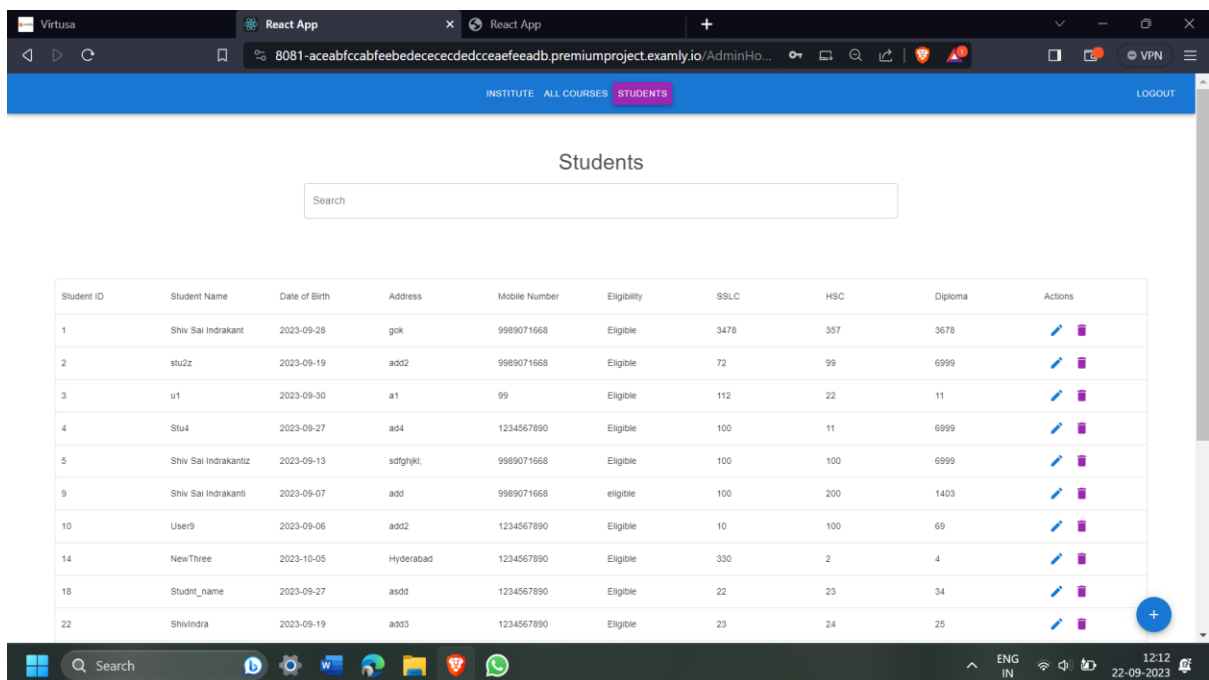

And as for the delete button:

Now on clicking ok, the course gets deleted and the course list is updated too!

None of the pages in this application require a refresh to see updates.

5) The students tab

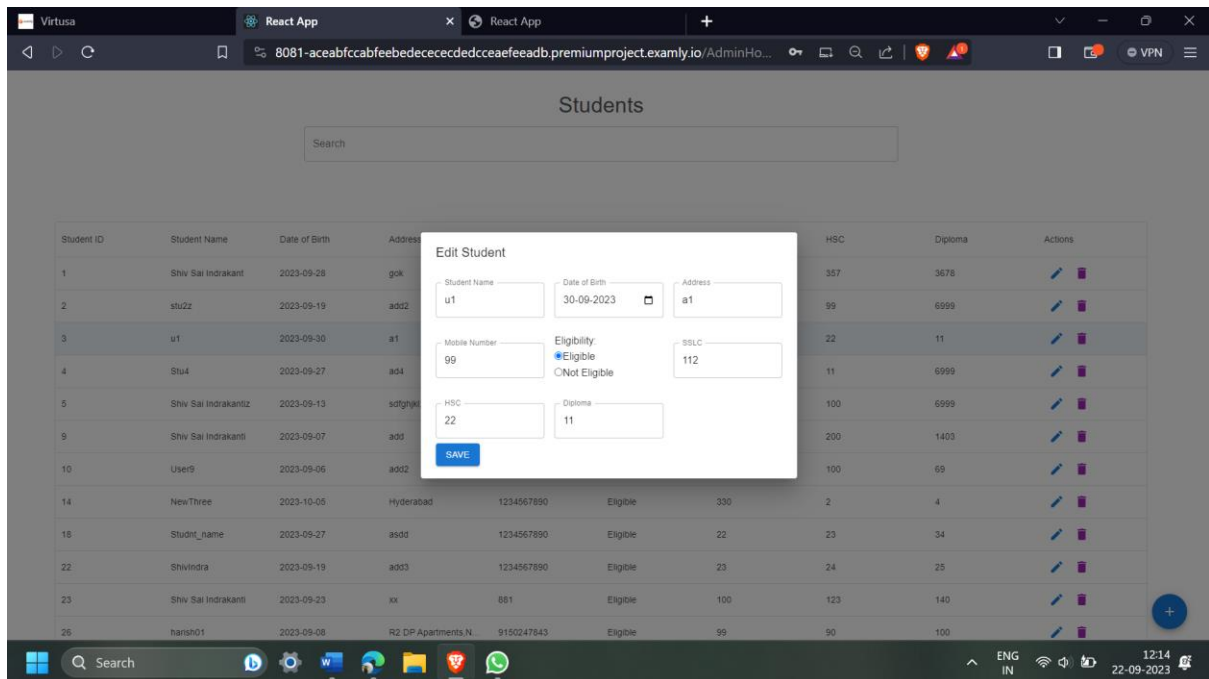

Here, the list of all students is displayed.

Shiv Sai Indrakanti

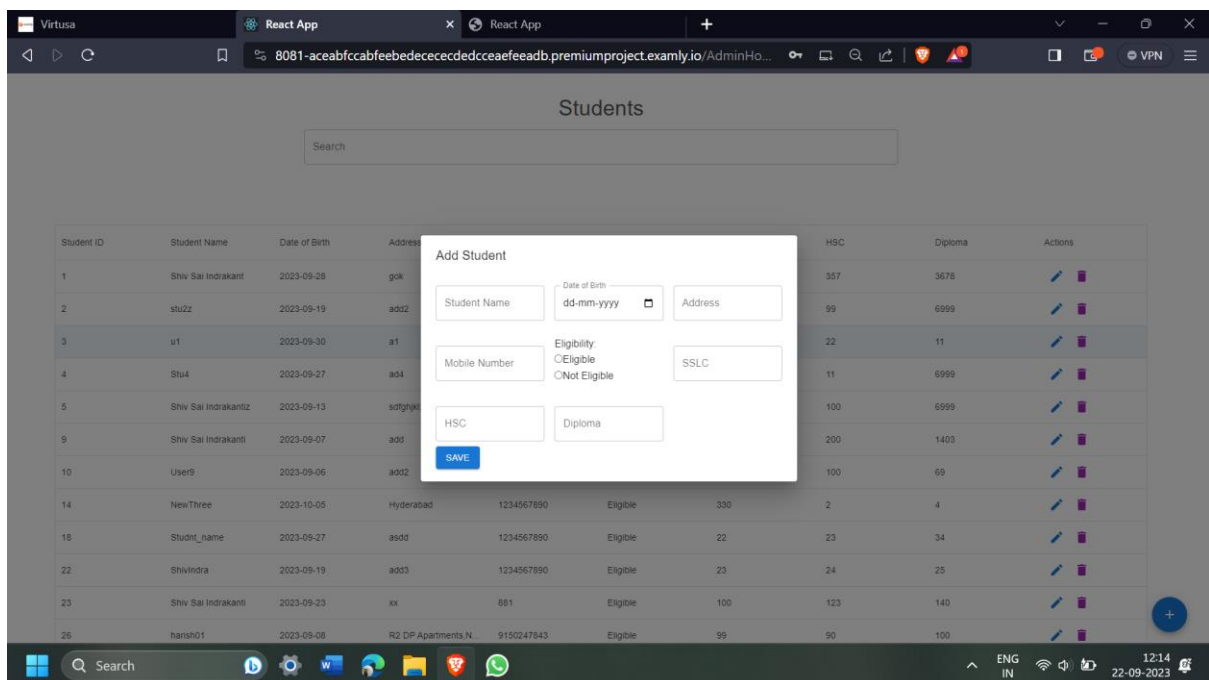

A student can be added , deleted and their details can be edited too!

This change is reflected on the user side as well.

On clicking the edit button, this form (prefilled with the data) shows up.

On clicking, add Student, this form opens

On clicking the delete, button the student is deleted.

Shiv Sai Indrakanti

Note:

Every action on the user side is reflected on the admin side as well and vice versa. All the data is rendered without any refreshes or lag.
